## **LANE REDUCTION**

IL 142  
Mt. Vernon  
Jefferson County

The Illinois Department of Transportation would like to alert motorists traveling IL 142 one mile southeast of Mt. Vernon of an upcoming lane reduction.

Starting June 22, 2015, the contractor will begin replacement of a triple box culvert. The operation will be controlled by signals. Major delays are expected during the shift changes of Continental Tire at 6:30-7:30 A.M. and 2:30-3:30 P.M. Motorists should reduce speed, be alert to equipment and workers, and use extreme caution when traveling through this area. To avoid any delays motorists should seek an alternate route. Emergency vehicles will be allowed through the work zone as quickly as possible.

Message boards and signs will be in place to alert traffic of the closure.

Please slow down and use extreme caution while traveling through all work zones.
